

YOUR LEARNING ROADMAP

From first steps to therapy–dog goals.

Build skills, confidence, and connection—one class and plenty of practice at a time.

Choose your track.

Grow your skills, one class at a time.

Every team learns at their own pace. With practice and your trainer’s guidance, you’ll build the skills and confidence for each next step. Teams who pass our manners assessment in DOG 3 are ready for DOG 4: Therapy Prep.

A private path is an option, too.

Build toward these goals with a personalized training plan. Your trainer will help you develop the skills and confidence for your next step.
